“Down on the Farm” is the theme of **Cornfusion**, the corn maze at Quality Evergreens!

It's a barnyard zoo at Quality Evergreens...locate all 12 barnyard animals and register to win a Christmas tree. Here's how it works. While finding your way through our 3-acre, barn-shaped corn maze, you will come upon 12 stations. At each station you'll find a different animal that is found “Down on the Farm.” When you find a station, use the provided inkpad and rubber stamp to mark your corn maze brochure. When you've collected all 12 animal stamps, you'll prove you aren't easily “cornfused”. Completed forms are eligible to enter into a drawing for a FREE Christmas tree! Stop in for a visit at the Cornucopia Snack Area, after you have conquered **Cornfusion**, for cold drinks, snacks, cider or fresh picked apples.

Activity Fee: \$7.00 for ages 12 and over, \$4.00 for children 3-11. No charge for children under 3. Includes the corn maze, hayride, play area, pumpkin ring toss, pumpkin slinging and barnyard zoo. Play area, hayride and petting zoo available separately for a fee of \$3.00 per person (children & adults - all ages). Armbands are required to enter activity area.
