

Purebred Shorthorn Open Heifers and Steer for Sale

Selling three red neck roan March heifer calves and one steer. These structurally correct heifers are selling halter broke and out of Wildesen Roan Rock on the paternal side. Maternally, these eye appealing and broody heifers trace back to Deepark and Waukara breeding on the maternal side. Plenty of growth and capacity and will be ready for breeding in the spring. If you're looking to get started in the Shorthorn business here's your opportunity.
